

Our mission: To support and improve the lives of the homeless people in the communities we serve.

Our history: Everyone should have a **place to call home**. That's what Edina Realty agents and employees thought when they established the Edina Realty Foundation in 1996. The Foundation offers financial support to non-profit organizations serving people experiencing homelessness or homelessness prevention in communities across Minnesota and western Wisconsin. Since its inception, we've **raised more than \$11 million**.
