

Everyone deserves a
place to call home.

To support and improve the lives of
homeless people in the communities
we serve.

That's what Edina Realty agents and employees set
out to do when they established the Edina Realty
Foundation in 1996.

The Edina Realty Foundation offers financial support to
non-profit organizations that provide food, emergency
shelter, medical care, job readiness training and more to
the homeless across Minnesota and western Wisconsin.

More than 95% of all funds raised go directly to
organizations that support the homeless or work to
prevent homelessness.

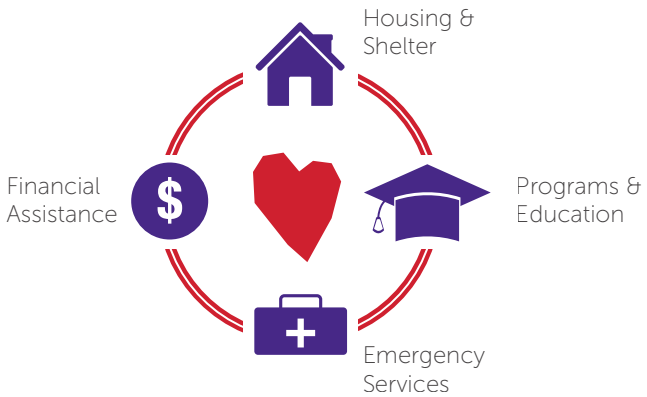

Grant Distribution

The Edina Realty Foundation is funded by agent, employee and company contributions as well as fundraising events. Every time an agent donates a part of their commission to the Foundation, Edina Realty makes a contribution as well.

Since its inception in 1996, the Edina Realty Foundation has donated over \$9 million, and 21 years later, we remain steadfast in our commitment to building a better tomorrow for the homeless.

Program Areas We Support

- ♥ On any given night, an estimated 3,500 Minnesota youth experience homelessness.
- ♥ One quarter of homeless adults first experienced homelessness as a child.
- ♥ Fifty-one percent of homeless children with their parents are five years old or younger.
