Home systems and appliances will break, but they don't have to break your budget.

What is a home warranty?

A home warranty is a one-year service contract that covers the cost to repair or replace covered parts of home systems and appliances that break down over time.

What types of homes are covered?

We cover single-family homes,* older homes, condos, townhomes, duplexes, triplexes, and fourplexes, new construction, and mobile homes.**

Do I need a home warranty?

We think so. In fact, 1 in 4 new home buyers use their home warranty within the first 60 days of coverage.

What's not covered?

An HSA home warranty provides valuable coverage; however, not all services and failures are covered. For a complete understanding of your HSA home warranty, read the sample contract portion of this brochure. As examples, the following services:

- ✘ **Do not qualify for coverage:** Normal maintenance or cleaning, drain line stoppages due to roots
- 🚫 **May not qualify for repair:** Improper installation, code violations
- 💰 **May incur additional costs:** Disposal of replaced equipment, modifications required to fit new equipment, code violations, permit fees, coolant evacuation and recovery

Several of the above services are available in our Buyer 7 Star Upgrade. Review its coverage, limitations and exclusions on page four.

How does it work?

With coverage from HSA, you know exactly what to do when things go wrong. It's as simple as this:

Request service online at myhomewarranty.com or by phone at 800.367.1448. Pay your Trade Call Fee.

We assign a local, qualified contractor.

On an approved claim, your covered home system or appliance is repaired or replaced.

REGISTER ONLINE AT MYHOMEWARRANTY.COM.

Accessing your HSA home warranty account is just a few convenient clicks away.

Repair or replacement is subject to contract limitations and exclusions. See plan for details.

*Single-family homes are subject to 10,000 sq. ft. maximum.

**Condos/Townhomes/Mobile homes are subject to 5,000 sq. ft. maximum.

HSA is committed to delivering exceptional service every step of the way. When you're in need of a repair, you'll find our commitment to quality throughout the process.

Buyer Benefits

Showings, walk-throughs and inspections are important steps to buying your next home, but they don't uncover all issues and they can't predict what will happen. Make sure your new home is covered by an HSA home warranty. And, if the seller hasn't included it with the sale, add this valuable protection yourself.

- **Confidence** in the home you're buying because you have a plan for covered breakdowns. There are a lot of decisions that come with homeownership. This is an easy one.
- **Our workmanship guarantee.** If there's an issue with a completed repair within 30 days of service, we'll send a contractor back out for free.
- **Quality service.** HSA is available 24 hours a day, 7 days a week to help you schedule a diagnosis for your covered breakdown.
- **The reliability of a nationwide network** of qualified, independent home service contractors. There's no need to research different vendors for repair or replacement assistance – HSA has done that for you.

Seller Benefits

Placing an HSA home warranty on your home during its listing period can help reduce many out-of-pocket expenses you may experience from unexpected covered breakdowns and repairs.

- **Mitigate unexpected, covered issues** from the home inspection to help keep your sale on track.
- **Maintain your budget** by managing the potentially high costs of covered repairs on your included systems and appliances.
- **Market your listing more effectively** by confirming your home is covered against unexpected, covered breakdowns.
- **Focus on your next home** and upcoming move.

F. LIMITATIONS OF LIABILITY

Coverage does not apply in these instances:

1. Detectable pre-existing defects or deficiencies, when the "Component Parts" were not in "Proper Working Order" on the inception date of coverage, are not covered by HSA. If, on the Buyer's effective date of this contract, the defect or malfunction of the covered "Component Parts" would not have been detectable by either visual inspection and/or simple mechanical test and/or safety test performed by a qualified professional, the defect or malfunction may qualify for coverage. For example: a simple test would be a visual inspection of a heat exchanger for cracks or a carbon-monoxide test. 2. Abuse, misuse, fire, lightning, freezing, ice, storms, smoke, water damage, acts of God, accident, earthquake, soil movement, mud, chemical or sediment build-up, fungus, rot, mold, power failure, power shortage or power outage, insect or rodent damage, pet damage, insurable peril. 3. HSA will not contract to perform service nor pay costs involving hazardous or toxic materials or asbestos, nor will it pay costs related to refrigerant recapture, evacuation or disposal of refrigerants or contaminants. If the 7 Star Upgrade is purchased for/by the buyer HSA will pay costs associated with refrigerant recovery. 4. Modification charges or costs for

metal fabrication, plenum work, or electrical changes necessary to satisfy the installation requirements of a new replacement unit. If the 7 Star Upgrade is purchased for/by the buyer, HSA will pay up to \$500 aggregate towards modification charges associated with an approved heating, air conditioning or water heater repair or replacement as outlined under Section E. Buyer 7 Star Upgrade. 5. Providing access to a covered component or system other than plumbing or ductwork systems. HSA will pay to provide access to plumbing and ductwork systems through unobstructed walls, ceilings or floors only, and will return the access opening to a rough finish condition. HSA is not responsible for moving obstructions including, but not limited to, built-in appliances, systems, cabinets, tile and floor coverings or pulling and re-setting a sink, shower or bathtub to access a failure. Any plumbing or ductwork failure requiring access through concrete, stone, rock or brick is limited to \$500 aggregate for total repair cost including access, diagnosis, repair and/or replacement, even if the primary failure is not located within the concrete, stone, rock or brick. If the 7 Star Upgrade is purchased for/by the buyer, HSA will pay up to \$1000 aggregate towards a plumbing failure requiring access through concrete, stone, rock or brick. 6. Excessive or inadequate water pressure, electrical surge, excessive or inadequate voltage, electrical currents artificially generated or inadequate amperage, water entry along the service cable. 7. Lack of capacity; normal maintenance, cleaning, adjustments, lubrication services, line bleeding, capacity increases, licenses or inspection fees; failure to maintain the temperature in the residence above freezing; improper use; contamination of fuel or energy. You are responsible for providing maintenance and cleaning on covered items as specified by the manufacturer. For example: heating and air conditioning systems require periodic cleaning and/or replacement of filters and cleaning of evaporator and condenser coils. Water heaters require periodic flushing. 8. Faulty workmanship by any person including a contractor or trade-person selected and hired. Improper installation or connection of any system, appliance or component part by a contractor/trade-person or any other person, including improper conversions of heating systems and additions of air conditioning systems to an existing heating system. If the 7 Star Upgrade is purchased for/by the buyer, HSA will pay costs associated with covered systems that fail due to faulty workmanship or improper installation or modification if the defect or mechanical failure would have otherwise been covered. If the failure is a code violation HSA will pay up to \$250 aggregate per the terms outlined under Section G. Building Codes. 9. Secondary damage, consequential damage or any damage caused by or resulting from the failure or malfunction of covered or non-covered "Component Parts". Any damage resulting from the actual repair or replacement itself. Conditions beyond our control including delays in obtaining parts, relocation of equipment or labor difficulties including, but not limited to, additional costs associated with repair or replacement of a covered mechanical system due to space restrictions or location of the covered equipment. Any damage alleged to be caused directly or indirectly by the services or the timeliness of the services provided by us. 10. Any remote control transmitting/receiving items. If the 7 Star Upgrade package is purchased for/by the buyer, the remote transmitter for the garage door opener will be covered for the buyer only. Electronic, computerized or energy management systems or devices, or lighting and appliance management systems are not covered; home computers, computer systems, leased or rental equipment and/or components. 11. Damage to the physical structure of the residence including, but not limited to, load bearing walls, walls, roof, roof supports, structural floor base, foundation or slabs, and ceilings except where specifically identified as covered. 12. Cosmetic repairs and non-"Operational Failures" including, but not limited to: finishes, cabinetry, panels, trim, buttons, chipping, dents or scratches. 13. You may be charged an additional fee by the service contractor to dispose of an old appliance, system or component. HSA is not responsible for these charges. If the 7 Star Upgrade package is purchased for/by the buyer HSA will pay the cost to dispose of defective equipment on HSA approved system replacement. 14. Equipment, items or systems that are owned by a condominium association or designated as common area in condominium declarations, plats or plans. 15. More than two central heating units, central air conditioning units or garage door opener systems unless specifically listed and approved by HSA. More than one of any appliance unless specifically listed and approved by HSA. 16. Repairs related to manufacturer recall or defects. In the event that there is other collectible insurance, manufacturer warranty or in-house warranty or guarantee coverage available to you covering an "Operational Failure" that is also covered by this contract, our coverage shall be in excess of, and we will not contribute with, any other insurance, warranty or guarantee. 17. HSA is not responsible for repair or replacement of systems or appliances classified by the manufacturer as commercial. HSA will pay up to \$3000 aggregate for the life of the contract toward repair/replacement of Built-in Professional series or ultra-premium refrigerators, including, but not limited to, Sub-Zero, Viking or Jenn-Air (individual trademarks are owned by the brand name company). 18. Items listed as Not Covered are intended as examples of the types of items excluded from warranty coverage. They are not completely inclusive of all systems and appliances excluded from warranty coverage. 19. All else not listed as covered.

G. BUILDING CODES

HSA is not responsible for any upgrades, work or costs required to comply with any federal, state or local laws, regulations or ordinances or utility regulations, or to meet current building or zoning code requirements, or to correct for code violations. If the 7 Star Upgrade package is purchased for/by the buyer and the correction of code violation(s) is required to affect a covered repair or replacement of a heating, plumbing or electrical "Component Part", HSA will pay up to \$250 aggregate to correct the code violation(s). If there is only a code violation

and no related covered repair or replacement, HSA will not pay simply to remove the violation. Please reference Section E. 6 - Central air for specific information regarding air conditioning coverage and federal regulations. HSA is not responsible for service when permits cannot be obtained, nor will it pay any costs relating to permits. If the 7 Star Upgrade package is purchased for/by the buyer HSA will pay the cost for obtaining permits for HSA-approved repairs and replacements up to \$250 per occurrence.

H. CANCELLATION, TRANSFER, RENEWAL 1. Cancellation.

A. HSA may terminate your contract only for the following reasons:

1. Breach of your contract by you, including but not limited to nonpayment of your contract fee or Trade Call Fees when due. HSA agrees to give you written notice of such breach and thirty (30) days opportunity from the date of such notice to cure the breach before termination;
 2. Immediately upon discovering fraud or misrepresentation of material facts to HSA by you related to your Agreement; or
 3. Immediately in the event you threaten to harm, or actually harm, the safety or well-being of HSA, any employee of HSA, a service contractor, or any property of HSA or the service contractor.
- B. If your contract is terminated by HSA or you (and you may terminate your contract at any time for any reason, the following shall apply:

2. If your contract is terminated after the thirtieth (30th) day, HSA will refund any portion of your contract paid to date applicable to the remaining contract term, less an administrative fee of an amount equal to one month's contract fee. Said administrative fee (i) shall be paid by you to HSA on demand, (ii) shall be charged to you via any payment source you have provided HSA, or (iii) shall be subtracted by HSA from any refund due to you.

2. Seller coverage under this contract is not subject to transfer and is not subject to renewal.

3. In the event of a transfer of the legal title and ownership of the covered residence during buyers' coverage, the remaining term may be assigned to the new homeowner. The assignee takes the warranty on the same terms, conditions, and expiration date as the assignor.

4. The warranty is renewable, by mutual consent, at prevailing rates for an additional 12 month period from the date of the contract expiration. HSA may, at its option, decline to issue any renewal or cancel any contract, if the contract fees are not paid within 10 days of the due date. **Note:** if you have selected a monthly payment plan, your contract will automatically renew at the expiration of this contract period. **(Renewal customers:** payment of the first installment on the renewal year premium constitutes your consent.)

I. AGENCY

Neither the real estate broker nor the broker's sales representative is an agent of HSA. Coverage is strictly determined by the warranty contract and not the representations of the real estate professional.

J. HSA'S RIGHTS OF RECOVERY

In the event of any payment under this contract, HSA shall be subrogated to all of contract holder's rights of recovery against any person or organization. You shall do nothing after loss to prejudice such rights. The company shall not be bound to pay any loss if you have impaired any right of recovery for loss.

K. DISPUTE REMEDY.

Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved. Either party may seek binding arbitration by one arbitrator administered by the American Arbitration Association ("AAA"), under the AAA Consumer Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver."

Residents of Wisconsin: Unless you decide to file a claim solely in your individual capacity in Wisconsin small claims court and notify HSA in advance of your decision to do so, any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by either party seeking binding arbitration by one arbitrator administered by the American Arbitration Association ("AAA"), under the AAA Consumer Rules in effect

at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver."

L. CLASS ACTION WAIVER.

Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator.

THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT. TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.

M. STATE SPECIFIC PROVISIONS AND DISCLOSURES:

WAIVER: Purchase of this home warranty is not mandatory. HSA home warranty is not the only home warranty available. No other services are contingent upon the purchase of a home warranty. I have reviewed the Home Warranty Protection plan and hereby decline coverage. I agree to hold the real estate broker and real estate professional harmless in the event of a subsequent mechanical failure which otherwise would have been covered under the warranty plan.
